

# CROSS COUNTRY CHAMPIONSHIP 2009/10

There are a total of 7 races for senior and vet men your points will be totalled from each race. All senior / vet men score championship points and group points for each race they compete in. Due to the changes for V65 men we will calculate their predicted time in the South Yorkshire races based on the senior / vet mens race distance.

Ladies will score points in the South Yorks races to compete for the group prizes and in all 7 races for championship points. Juniors only have the 4 South Yorkshire events with the last one being counted as the championship race.

If you're confused please contact Mark Hurrell
